Dear Paul:

Thanks to your company's sponsorship of the DPAO/TOYOTA 2009 Summer Concert Series this year was one of our most successful ever!!! Westelcom's corporate support played a huge role in helping DPAO achieve a net profit of just under \$70,000 for our summer shows.

The Laurie Berkner Band proved to be the #1 Hit ... netting almost \$28,000 for DPAO. The Country Show of Billy Currington and Craig Morgan took the #2 slot bringing in just over \$26,000. DPAO's Blues Concert with The Fabulous Thunderbirds and The Double Barrel Blues Band came in third with our Classic Rock Show featuring Three Dog Night, Gary Puckett and The Buckingham's coming in fourth.

The funds raised from the 2009 Summer Concert Series will be used for a variety of services which include assisting DPAO's consumers who have to travel outside the area for hospitalization, replacement of equipment in our "Snoezelen" Multisensory Room, maintenance and repair of the agency building and vehicles and many other special needs.

Plans have already begun in regards to booking concerts for 2010! Please take a moment to share with me some of your favorite groups or individual artists whom you think would put on an excellent concert for next summer's series. Please also let me know if there are other services or additional promotional benefits that DPAO can provide our sponsors. Westelcom's financial assistance is one of the main reasons why our summer concert series is so successful!

On behalf of the Board of Directors, staff and especially our consumers, I wish to thank you Paul and Westelcom for your continued support for our agency. It is truly appreciated! We look forward to working with you on next year's summer concerts.

Sincerely,

Tim Dermady
